“ My friend with a heart of gold. When our oddest were four, and when we lived in San Diego, Annette came over to my house with Lilly and Laura to help with my new sewing machine. The girls had a playdate, and she helped me thread the string (I still can't sew!) It was a fun afternoon.

Annette you will be missed by many. I will continue to pray for your sweet children, husband, and children. My heart is heavy, but the tears have dried (some at least) knowing that you are with our Heavenly Father watching down.

“ Annette, my sweet friend, always smiling, always kindhearted, and very crafty. I can't share a memory because I can't pick just one....I have thousands! From highschool musical rehearsals, to blaring musicals in your little Saturn. All the times I called you crying over life...to being a bridesmaid in your wedding. The times you were there for me when I needed my friend. You were always special, I was the lucky one to call you a friend. I love you, and I will miss you forever.
