“ All of our family send their deepest sympathy. Your Father meant a great deal to our Father through the years. He always said that he was his very good friend. We thought he would make it to his 100th birthday. Dad has a year and half to go. Your father always remembered who you were when he met you and also your siblings. We are sure he will be greatly missed.

“ Please accept our sincerest sympathy in the passing of your father, Tony Bonello. We had the pleasure of being next door neighbors of Tony & his wife for about twenty years. They were always considerate and generous friends and kind to our children as they were growing up. We were sorry when your mother passed and later when Tony relocated to Florida. He lived a good long life and was a fine man, we will miss him.

My husband, Bill, died last April 9, 2004. It has been a very difficult time for my family and I. We share your sorrow and hope time will heal your hurt.

Sincerely, Gloria Butchart and family (Barbara Jeanne Cartrette and Bill Butchart and their families.) 624 Riverbank, L.P. MI 48146
