“ I came home to find that the **GREATEST** person I Have even know went to be with Jesus, although he was only my uncle he was more like my father, he was always there for me, and I know that he loved me like a daughter, and this morning when I got up and he wasn't sitting in his chair my life felt so empty. He always told me the truth, he gave me good advise, he held me when I would cry, he would listen to me when I had a problem, he would tell me when I was wrong and guide me in the right direction, and even when I disappointed him he would still tell me he loved me and how proud he was of me. He thanked me for being here with him, and putting up with him when he really was putting up with me. He is in heaven sitting by the water feeding the squirrels and the birds with a cup of coffee in his hand. He lived his life in **PEACE** and left this world in **PEACE**. I love you Uncle Tony and I always will, see you on the other side.

“ I am a Minister of Jehovah's Witnesses my wife and I would like to give you and your family our deepest sympathy for the lost of your loved one. We would like to leave you with these words of encouragement from Gods word the Bible. At Job 14:14 it ask the question, "If a man dies, shall he live again?," The bible makes the promise: Your dead love ones will live...They will rise up. The bible also says, The righteous themselves will possess the earth and they will reside forever upon it. Isaiah 26:19;Psalms 37:29. May you find comfort in these scriptures and in the loving memories of your loved one. If you have any questions or concerns about the lost of your loved one feel free to email us at [ctksdk@yahoo.com](mailto:ctksdk@yahoo.com)

Sincerely, Carlos & Sandy
