“ I enjoyed working with Tiny because he was a fantastic front-end programmer and such a nice person. He also helped me with the big picture--very talented in so many ways! I'll keep him in my thoughts.

“ I was shocked to hear of Tiny's passing. As a member of the Volkswagen and Audi Academies, I worked with him since our first days with DataRunners, and always found him to be a talented and passionate partner. I enjoyed discussing our shared passion for Hot Wheels, and treasure the DataRunners VW Bus model he gave me. He will be missed. Sincere condolences to all his family and friends.
