“ *I'm sorry for your loss. Death is our common enemy as it affects all of us. I therefore want to encourage the family to take heart and be hopeful in the promise by God, that he will wipe every tear and no more will be any death again. Death will be brought to nothing, Isaiah 25:8 and 1Corinthians 15:28. God by means of Jesus will call and all that died will hear his voice and come out. John 5:25. We have an opportunity to see our dead loved ones come back to life again and never to die. What a wonderful moment that will be!*

“ We all have wonderful memories of times talking with Toni, & special fun memories of her cooking too, which she seemed to love to do. Carole & Larry will miss her, we know, but also I'm sure they thank the Good Lord she was with them so long, & yet it was not nearly long enough. I know I'm glad I had chances to talk to her over the 50+ years that Carole has been one of my best friends. Carole & Larry, may happy thoughts soon be yours & the family's only ones soon. Love you & God bless, Diane & Warren

“ To Antoinette's Family: She was always SO nice to me! As someone who married into the Bagnolese, I was really touched by how sweet she always was to me. She worked downtown at the bank where the doctor I worked for had his accounts and I would see her almost every Friday when I made his deposits. This was back in the late 60's just after John and I were married. Ever since then, she always made it a point to talk with me at every function we were at together. I will miss her beautiful smile and warm, friendly manner that always made me feel so welcome into the Bagnolese "family". John and I and his mother, Marietta, extend our sincere sympathy to the whole family of this lovely lady. May she rest in peace and may your happy memories of the good times you shared comfort you at this difficult time. Warmly, Norah Cimaglia

“ Dear Larry, Carol and family We are very blessed to have been surrounded by so many wonderful people in our lives. Your mother was one of those very special people. When you think of Antionette you can see her smile. Always such a wonderful woman. I always loved seeing her and talking with her. She was a gem. How very fortunate that our parents and all of their friends were so close. They always had such wonderful times together. From the early days until the great days when they were all in Florida. It is very difficult for all of us to see the fantastic generation come to an end. We can only pray that we instill the vaules in our children, that they have given to us. Our roots from Bagnoli Del Trino are roots to be proud of. With all my love, Gloria Conn
