“ *Im truly sorry to hear about your lost. Arashdeep will definitely be missed by so many. One thing that helps me deal or cope with loosing a loved one is the scripture John 5:28,29. It stats " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment." Soon we will be able to see Arashdeep again because God (Jehovah) promises a resurrection hope. Also if you notice that it uses the term "memorial tomb" and not [Grave] which means Gods memory. Arashdeep seemed like a really nice guy, a person that God will definitely remember. I hope this gives some comfort. Dion R (Truth.1914@yahoo.com)*

“ Sorry to hear about the passing of AC. Its sad to see someone that was so well liked and such a good example have to pass so soon. Young people are very important to our heavenly father so I know he will not be forgotten. (John 5:28,29) So continue to pray and the "God of Comfort" will help you through this difficult time.(2 Cor. 1:3,4).

“ I'm feeling jealous with all the guys on the other side for they are having all the fun and we don't have anyone to bring a smile to our sad faces. You'll be missed always and forever. Now it has started making sense to me, this plan of yours. You wanted to be with everyone and all the time, a physical imposibility, and now you've managed to do so; you're with all of us, all the time, as our Gurdian Angel.

“ Oh AC! i cant believe your gone. I feel like i cant write anything about how meaningful you were! everyone else knew u for so long, and here is little ole' me trying to leave my condolence. You were just too young, I remember how fun it was at work, and how i looked forward to every day you were there. I swear i loved your randomness at work and annoying me at the cash register and how you never failed to make me laugh. I know that you were not the kind of person who would want us to cry. So, im not going to anymore, and will treasure every memory. Its ok to laugh, to smile. I know thats what you sincerely would want us to do. I know, compared to your other friends, my grief is quite small. I dont understand their emotions. But i know this for sure, that you taught me the value of life, through your existence and through your death. I swear everytime i met you i would think of the song "Just the way you are". becuse thats what you proabbly would sing for EVERY girl. i KNOW thats ther nooo possible way AC is reading this.. but its nice to get it off my chest. NO im not some crazy lover; just a regretful friend who didnt have him added on FB. I wish i could post this on your wall.. but im not on your friend list. i wish that dday id met you i would have added u. its increibly a guilty feeling knowing someone and not reaching out to them.. AC.. there are no words for u. Other people may have been able to say something... but im just shocked... that THIs WAS THE AC EVERYONE TALKED ABOUT.. and I didnt know. I knew you came to COD last year and I was gonna host it this year.. I cant beleive you'll never see me do that. Worst i wish i had known u personally last year and not just the begging of this year. AC ill never forget u, or anything u have tuaght me.. even if it was how to "properly" put whip cream on the MCD's Mocha Frappe's.. or show me how to clean trays.. or make fun of me when i was washing dishes... and how i made fun of u when you mopped.. I swear AC i wish i had known AT THE SAME TIME which AC they had been talking about.. But i know AC you want us to be happy.. so ill end this with a good note..... I GOT A B ON MY PRE-CALC TEST.. :) Ill miss u... a lot.. maybe not more than everyone else.. but a good chunk of it.. Goodbye AC.. RIP

“ AC, He was always the person that you knew you could go to when you needed a laugh. Always caring, understand and a loveable person all the time. No matter what kind of mood he was in, if you were in a bad one, he changed that right away. My condolences go out to AC's family and friends. He was an amazing person, and you will remain in my prayers. R.I.P AC<3 You will always be remembered, loved and missed by so many great people.

“ I'm shocked, everyone loved AC to death including myself. He would always text me to make sure I was having a good day. He was such an upbeat, never upset, amazing person. He will ALWAYS be in our hearts. I love you AC and my heart goes out to the families of this tragic event.

“ AC was always a polite and energetic young man. His eyes always shined with his enthusiasm and kindness. My son, Owen, has lost a loving role model. May we all carry a little of AC within us to be better people.
