“ We are so sorry to learn of Ardith's death. She was a very dear friend for many years. I was her Symphony Bridge partner for a long time, and my husband and I played bridge with both Harold and Ardith. We also had many good times going to dinner with them. I was in Glacier Hills rehab in July with a broken leg, so I was able to get down to the 1st floor to see her just after she received the news she had cancer. We had such a nice chat with her and we will miss her very much. Our sincere sympathy to all of you. Vicky and Lyle Whipple
