“ Miss Arlene would call me every birthday and sing Happy Birthday. One day I missed the call and I still have the voicemail. She was a wonderful woman and a great promoter of the sense of what community is supposed to mean. Need more like her in this world!

“ *A friend to all. Never a mean word spoken. Did for others your entire life, quietly and with no hesitation, and never looked for recognition or glory.*

I was one of the lucky few to have grown up ‘under your wing’. Not only did Tommy and I get to live across the street from Ms Arlene, both Mom and Dad were her best friends. She took care of them just as much as they took care of her. She was family. ❤️ I only hope and pray you never forgot our conversations, especially the last 10 years. I also hope and pray you know how loved and appreciated you are Ms. Arlene

“ *Ms. Arlene will always be in my memory, because of her letting me hang out with my buddy Rich after school, making the world's best Halloween diorama, talking about the Tigers. She was the only person I knew who had more pictures of cardinals than my grandfather, and she was always loving and welcoming to us fellas. You are loved, and will be missed.*

She was a great person. Even our muffin loved her, she would take her riding in her bike basket around the neighborhood! She will be missed!

“ MS. Irene, was Everything you would expect from a block club Captain/President! A good neighbor❤️ I will surely miss her for her wisdom and respect for the community. She and I had a special bond due to my love💕 for her Zucchini Bread🍞 she made it just like my mother made it, and she always had me on her holiday handmade Bread list!🥰
To her Son and Grandchildren whom she loved dearly most of all. My prayers are with each of you and my prayer is that she continues to enrich your lives daily with beautiful memories of loving mentorship and guidance. She was appreciated 😞🙏🕊️
