“ I had the pleasure to work with Art at Chevrolet Show and Display. He was a highly skilled carpenter and was often given the toughest parts to fabricate when we were building wood prototypes of future production vehicles. I didn't know him for long, I started in 1974, but I remember him fondly as a warm, talented man with a good sense of humor. I was lucky to have worked with him and enjoyed his company. Sincerely, Bill Ward

“ We are so sorry to learn of Arts passing. We have lived a few doors down from him since 1982, and cannot imagine our lives without him. He always stopped to chat, share a hello, and seemed to know when spirits needed lifting. He was so kind to our kids when they were growing up and showed them the meaning of kindness. Our sympathy is with you. Rest in Peace Art. God Bless You.

“ We were so sorry to hear of Mr. Art's passing. He was truly a wonderful man and will be greatly missed by everyone who knew him. He was always ready with a wave and a smile, or just a little talk. It won't seem the same not to see that red truck roll down the street. We are so sorry for your loss. The Cannon family

“ I am saddened to see my buddy Art passed away, a very kind and nice man I knew since my child hood days back in the old neighborhood. Art was always there to offer help with our bikes or a friendly chat at which at the end he always had a piece of candy to give to us kids or his one of a kind wave as he drove by in his car. The littlest things people do can leave the biggest impressions on kids and Art left some great impressions on us kids. I am glad to have known this gentle man for over 30 years he will be sadly missed but remembered. R.I.P. old friend and tell Jenny hi and tell her the Tigers are doing good. Love Kevin Miller
