“ I am a Minister of Jehovah's Witnesses my wife and I would like to give you and your family our deepest sympathy for the lost of your loved one. We would like to leave you with these words of encouragement from Gods word the Bible. At Job 14:14 it ask the question, "If a man dies, shall he live again?," The bible makes the promise: Your dead love ones will live...They will rise up. The bible also says, The righteous themselves will possess the earth and they will reside forever upon it. Isaiah 26:19;Psalms 37:29. May you find comfort in these scriptures and in the loving memories of your loved one. If you have any questions or concerns about the lost of your loved one feel free to email us at ctksdk@yahoo.com
Sincerely, Carlos & Sandy

“ Oh Uncle Art, so many wonderful memories we shared, it's impossible to pick just one. Years of Saturday nights, Christmases, birthdays, vacations, Derby days and just spending time together, all moments that I will cherish for the rest of my days. The term great-uncle implies a distant relation but you were so much more than that to me. You were my uncle, my grandfather and most importantly you were my friend. I am at a loss as to how to say goodbye to you. You've always been there for me, and to think that I can't just pop over and see you working in the garden or tinkering with some other project makes me hopelessly sad. My life was so much richer because you were a part of it. I cherish each and every memory and I thank God that he gave me so much time with you. Your wisdom and humor will stay with me always. We all wish we could have had more time with you, but I know that you're happier now that you've got your sweetheart back. I miss you both terribly and will think of you often. Until we meet again, I love you, I miss you, I will never forget you. Your loving great-niece, Jenifer. XOXO

“ Art, I have admired you for years but especially enjoyed the last couple of years when I got to know you so much better. I looked forward every week to getting together on Saturday nights for dinner and dominoes. I loved talking sports with you although we disagreed on some players and strategies I always respected your opinions. I'm really going to miss you. John Cox

“ Uncle Art, you are truly one of the finest people I have ever met and I will always consider it an honor to have had you in my life. You and Aunt Jean welcomed me into your family 35 years ago and since then I have always thought of you as a second father. I cannot begin to express how much I will miss you, especially on Saturday nights playing games and arguing about the Tigers. I will think of you often and ask myself "What would Uncle Art do?" Give Aunt Jean a big hug for me and we will meet again. - Ken Cox
