Written by Family: Art Sesny is fondly remembered as a loving husband to Gloria; devoted father of Mark, Susan and Sandra; beloved grandfather of Heather, Adrienne, Amber, Lori, Jon-Eric, Lisa and Jim; and cherished great grandfather of Nicole, Shelby, Devon, Tyler and Angelo. Born in 1923, he was one of seven Szczesny children, and grew up in Detroit. His career as a Systems Analyst at Detroit Edison provided his family with a nice home in Lincoln Park and the opportunity to take vacations, visit museums and go to many places of interest. While Art enjoyed retirement for many years he continued his friendship with former co-workers by joining them frequently for lunch. Art had many other passions in life. He was always the life of the party, loved to sing, enjoyed woodworking and was close friends with many of his neighbors. A loyal Detroit Tiger fan, Art went to many opening day games and watched endless hours of baseball on television. His greatest love and joy

was his family. His wife Gloria preceded him in death, but they are now together again.

“ Art was one of my first friends when I started at Detroit Edison. Although Art retired many years ago, and was much older than I (which I reminded him of frequently!) we stayed friends, getting together for dinner and on the phone. I always enjoyed exchanging Christmas Cards these last few years with letters keeping us up to date on how our families were doing. Art will be greatly missed.
