“ Carol, I am so sorry to hear of your mother's passing thru the newspaper today. There's NO one like a Mom! There is a hole left in your heart that nothing can fill it. It's been over 2 years since I lost my mom and I still go to pick up the phone to call her still. I am still waiting for it to get easier. I've lost my best friend! May you find comfort in knowing that we shall see them again where they are not in any pain. All you can do now is hold on to the memories in your heart and mind as no one can destroy them there. You are in my thoughts and prayers. I think of you often. I was in TN over Thanksgiving and Michael was talking about how he missed Billy and had no way to get in touch with him so let Billy know that Michael still thinks about him. Take care and....."this too shall pass". Would love to get together with you someday but I wouldn't want you to get into trouble with your neighbors. I hope your family is well in these difficult times. Love, Shirley
