“ Audrey was one of my dearest friends. She had her own very unique perspective on life. We were both eccentric. We understood soulmates to be truth because of our spiritual connection. She loved her children and grand-children and spoke of them often, always with good stories. We traveled together, spent hundreds of hours discussing the unbelievable ignorants of the people who run our country, but both knew not much would change in our lifetime. Audrey was like a sister and I will miss our times together. Her enthusiasm for life was her gift to me. May God bless her family. Celebrate her life as I will on September 3rd. Love and blessing to all Bonnie Eddlemon
