“ Our family was blessed the day the Linn Family moved in next door to us in the late 60's. Audrey and my mom (Marge) became lifetime friends. And we became lifelong friends of Carole, David and Heather. We have many great memories of times shared, like Christmas when Bob and Audrey would bring the printed Christmas Carols for us all to sing. Audrey was there for us during our times of loss. She made shortbread cookies for our mom's funeral and shared the recipe with us. We continue to make them every year for the holidays. Audrey wrote a beautiful poem about her friendship with my mom and we have it framed in our house. She was beautiful person inside and out and she will be missed by many. My sincere condolences to her family. With love, Joyce Perry Barnard

“ Audrey was so much fun to sit and talk with. I could listen to her accent all day if that were possible lol. When I would see her, and if I caught her outside I had to make it a point to go say hi, she would always have a smile on her face. How could you not be happy when around her? She also did many things around our community, she and Dolly were our decorators. Watching her and Dolly, it was such a wonderful friendship to see. I was so sad to hear that she was no longer with us. She was an amazing person.
Rest In Peace Audrey, you will be greatly missed.
