“ *Audrey and I were friends since fourth grade at Ruddiman School, We were 10 years old at the time. We kept in touch over all the years. As we got older, we would go to lunch and played Hand and Foot at least once month. She was a good friend to me for seventy-four years. I will miss her dearly:(*

My deepest sympathy to all the family,

“ My mom, Fran Warington and my aunt, Mary Ann Beeman were very good friends with Audrey. They all went to high school together and kept in touch over the years. My mom, unknowingly, ended up at the same nursing home as Audrey. Audrey seemed like such a kind, caring person. I know my mom and aunt will miss her dearly. My condolences to all her family.

“ No one can ever replace your Mom no matter how perfect or how flawed they are!!! She loved us, she would do anything for us! But most importantly, she taught us to love each other, so that now in her absence we still have each other! Thanks Mom for all you did for me, Dave, Carol and our families!!! You will be missed ❤️ ❤️ ❤️

“ From the first time I met Audrey & Ray, they always made me feel welcome and part of the family. When I was in need of a babysitter, Audrey said “yes” without hesitation. I’m forever grateful for that. We shared a few meals and laughs over the years. Rest in Heaven ❤️

“ A favorite memory of my grandma is the day her and my grandpa would arrive back in Michigan for the summer after their winter in Florida. I remember counting down the days with such excitement. On the day they were to arrive, I would run home from school and just be filled with such joy to see their car in the driveway. A very happy memory, knowing I got to spend all summer with them ❤️
