“ *Praying so hard for your family! I know little Aurora is up their wishing she could let you know how much she is loved by God and all the loved ones you have up there. She is a bright shining light in the arms of God. Wish I could be there to wipe your tears. My heart breaks for you all.*

“ *Our sweet Aurora what an incredible gift to us all, she bestowed such incredible love and new found appreciation towards one another and gave us all a sense of what truly is meaningful in a material and often selfish world. While we struggle to make scenes of God.'s plan, I can't help to be comforted by the many blessings precious Aurora brought upon to so many of us. The capacity to reconcile love, relationships, reunite families, bring distant and estranged loved ones back into the fold of family, and otherwise and most importantly value the impact we have upon one another and the differences we all can make in one another's lives . May god continue to bless us all. We will always love and hold a sacred and dear spot for Aurora in our lives.*

Karen, I'm sure gggrandma is there with her too. In fact I bet gggrandma and ggrandma are fighting as to which ones turn it is to hold her.

“ Karen, Amanda, Jeff and Matt and rest of your family members,

??God's Little Angel Aurora Marilyn Rousseau??

*A little "Angel" came to earth one day.  
She gave only love. Then she went away.  
Don't ever forget the love she brought,  
Her bright happy smile  
And the lessons she taught.  
It's hard losing someone  
Who gives only love,  
Then goes back to heaven  
To her Father above.  
Remember her always,  
There's no other way  
And know in your heart,  
You'll be with her one day.  
But for now, share the love  
And continue to say,  
"Thank you, God, for my "Angel"  
Who has gone away.?*
