“ When we heard of Bailey's passing, our hearts filled with so much sadness. It was hard to believe that the young teen that worked at Affordable Automotive was no longer with us. I am not sure if this job at the shop was his first one or not; but he was always a good worker; always willing to do anything we asked; and always brought a lot of fun with him to the shop. I loved the days when I knew Bailey was going to be with us. He quickly became a part of the "shop's family"; going with us to Tigers games; joining us for shop luncheons; and was always included with all the extra fun we had with our employees.

It was gratifying to watch Bailey "grow up" and become an extraordinary young man. He was always good at responding to my reaching to him to see how he was doing. And I loved seeing all the achievements he had accomplished so far in his life. He will be missed by so many, including his shop family! We extend our deepest sympathy to all his family and friends.
