

Barbara A. Becker

January 25, 1973 - September 1, 2024

Becker, Barbara Ann, September 1, 2024 age 51 of Plymouth. Beloved Daughter of Susanne and the late Paul Becker. Loving Sister of Tina (Dave) Nelson, and Anne (Steve) Staszek. Dear Godmother and Aunt of Joseph Staszek.

Barbara loved to play sports as long as she was able. She loved to watch hockey. Barbara had a strong faith which fueled her resolve and love for life. She was an avid poet who used God's gift to her to spread her love to others. It was her final wish to spread her poems to as many people as possible so they may find strength, solace, and hope from them just as she did.

“ The sister's love that I sense in every Annie's post about Barbara is so big, any heart begins to beat in loving way reading her words. I know Anne as a kind and wise person and although I have never met Barbara Ann, I imagine a mirrored image of Anne in both physical and spiritual ways. In my mind, I have no doubt that this big sister's love and bond will always remain strong and alive although projected from two different worlds now. Anne, family, and friends, please accept my sincere condolences for your having to say "Until we meet again" so soon. May the beautiful memories of the shared time on Earth comfort you in the process of mourning and reminiscence. Big hugs and prayers for all.
