“ *I am so sorry I did not know of Barbs passing sooner, as I would have been to her celebration. My parents moved to San Jose, Redford in 1936 and we knew the Shear family very well. The Brandons moved onto our street and we became very good friends. My brother Ken Brandt used to stoke the fire at the Church on Inkster and West Chicago. Ken passed away this past June 15. I pray that all of the Shear and Brandon family members know Jesus Christ as their Lord and Savior. Jesus Christ is coming back soon to take His church home. Loving thoughts & prayers, Joyce*

“ *Death has been the hardest thing to understand because it comes to anyone. It comes when we are not expecting it. I want you to know that in any situation we may be, God Jehovah does not ignore. but it is comforting to know that his promise at Isaiah 33: 23-24 will come true when he will heal all mankind and no resident will say i'm sick. Psalms 147: 3 says that even now he gives as comfort that, he is healing the broken hearted ones and binding their painful sport. Yes we will get to see our dead loved ones in the very near future when they come back to life.*
