“ I have had the true honor of knowing Barb and have so many great memories of her. She was a devoted wife to Dave and there was no stronger love then them both. She loved all 3 of her Children and I remember her saying she would have had a dozen if God would have blessed her with them. Then when the grand kids and great grand kids came along she was so very proud to call them hers and love them so much. Her safe haven was when she and the family would go to Beaver lake and spend quality time camping and her favorite thing Fishing at day break. She would stay out there all day long and be happy. She Had many other kids she adopted as her own that were friend of her children. I am so lucky to be one of them. Barb I am going to miss you so very much I thank you for teaching me how to be a Wife, Mother and true friend. My heart is so lost with out you but i Know you are in the arms of your David whom you have missed with ever breath you have taken since he left. Keith Kevin and Kerri, you have been so blessed in this life to have this amazing lady as your Mother. Keep her words in your mind, her humor in your thoughts and her love in your heart always. She is in the amazing arms of God free from pain and sorrow. Fly free Mom till we meet again, I will miss you always I love you mom always and forever, no matter what.
