“ Frank was a childhood friend to Mike and best man at our wedding. When he brought Barbara over to meet us, we were impressed with her loveliness - quietly sweet and pretty. The night I went into Labor for our 3rd child, Barbara and Frank went to the movie show with us. We did not finish the movie but left for the hospital. Barbara was 3 weeks from having their first baby (Marc). They came to the hospital that night I was in Labor for Christopher and sat it out until I delivered him. We asked them to be Godparents. We will always love her as they were a beautiful couple!!! May her soul be with our Father in Heaven, and we know she is at peace with her loving parents. Michael&Marie Bien

“ I’ve known Barb since 1974 when she was part of the Northfield group. She was at my wedding and at my daughters wedding 36 years later. When it was her turn to host our Pinnacle group, everyone came hungry and left full and happy, she was a great cook! Barb and Frank were at all the Christmas parties, New Years Parties, Easter events, Weddings etc etc. We moved to TN but we kept in touch. I’m so glad Scott and I met up with Barb & Frank at the Rusty Nail last fall. I brought a photo book I made of many of the events over the last 40+ years that Barb was at. She made me smile as she counted the number of pictures she was in! 😊 She was a wonderful woman. I will miss her. -Liz DeWitt
