“ *Al, Amy, Jill, John,*

My thoughts and prayers are with all of you. Al I will always remember your mom's sincere kindness, her laugh that was like no other, her kindness, smile, and most of all the dozen or so times we talked for hours at the kitchen table. Even you at times couldn't get us to stop. I never told you this before but as an adult it was something I really did miss. Right now I know your mom is winning at Bingo.

“ *Jill, Amy, Allan and John My heart goes out to you. Barb was one of the best people I ever had the pleasure to work with and to have as a friend. I talked to her a few weeks ago and even with everything she was going thru she was concerned with how I was doing. I will miss her calling me an old bag. My love and prayers are with you.*

“ *Jill, Alan, Amy, John & family,
I am so sorry to hear you lost such a special person in your lives. Barb has left something special in all our hearts at Valassis. She had a big heart, and was always filled with happiness and laughter that was so contagious. She spoke of all her family and was always so proud, especially her grandchildren. The lunch room at Valassis will never be the same, but a little bit of Barb will be left in all of us.
Barb - THANKS FOR THE MEMORIES!*
