“ *Barbara has been a caring sister in law for many years always concerned for my well-being. We could talk way into the night sharing our love for our families and any other concerns that needed prayer. She was like the sister I never had and I will miss hearing her sweet voice and kind words. However they're etched in my memory and will always bring me a smile.*

*Praying for those memories for the family to bring them joy and sustain them through this time of sorrow.*

*I love you Barbara* ❤️
