“ *Bassam, You always think that there's going to be a tomorrow, and then all of a sudden it's gone. I'm sorry that I didn't make the time to get to know you so much better. You were a beautiful person, with a heart bigger than any one of us could ever know. I will cherish the memories I have of you, and I will cry for the times I'll never share with you again. You will always have a place in my heart. My Love Always, Laurie*

“ *Some times we take things for granted. We never seem to have enough time to say the things we should. Now, when I really need to tell Bassam how much I love him he is only here in my memories. I am so sorry Sam I love you. your big brother Johnny*
