“ We grew up spending so much time together, from playing football in your front yard on Greenview as kids, dressing up for halloween, walking the streets in Plymouth, going to the bars, having bbqs, hanging out, we were always together. We always had eachothers back. You were my cousin but you were also my brother. Im so thankful to have so many memories to cherish. I dont know why you had to go so soon, but i know your at peace now. I will miss you so much until we meet again. Love you Jack R.I.P. cuz

“ My little cousin. I have so many memories I can't pick just one. You were in so many. Not sure why the plan was for you to leave so soon but one day we will all rejoice together again. Not a day will go by that you will not be missed.

“ The first time I met Jack I was asking for his sisters hand in marriage. I gained a brother that day, through the ups and downs his love and loyalty was never questioned.

He is an awesome uncle to my kids and will be missed dearly. I know he will be watching us from the Kings feet.

Until we meet again, love you Jack.
