“ *No words can express our feelings for the family at this time other than remembering the many joys and laughter than Ben brought to everyone. He was a wonderful person and I was rewarded in getting to know Ben when he advised me in my role at the MEDC where he had been on our team. He was always fair and respectful, as well as a true gentlemen. I'll miss most the kindness he always displayed and a ready smile. He went out of his way to the point of letting me park my car at his and Suzanne's home on many occasions and driving me to the airport so we would have an informal time to chat about work or life in general. Ben you left a positive mark on many people. God Bless the family, our prayers are with you.*

“ *From reading the Obituary I can see Benny has had a great life and has probably touched many a long the way. It is sad to hear that he has passed away but you can look forward too seeing him again. There is a scripture that always bring me comfort, it is Revelation 21:4. It says: " And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Isn't this comforting? It gives us something great to look forward to. Lauren laurenthomas311@gmail.com*
