“ *I just found out this afternoon, October 6, by a e-mail from a friend in North Carolina. I received a phone call from Marlene Ardell. I found it on a search engine on the internet. I can't believe it. My very best friend from high school. We were call the 3 B's Ben, Bo and Bill. I am the only one left of the three of us. I never got to say good by to the either of you, Ben and Bo. I loved the both of you. I had a dream this week of you Ben. Maybe you were trying to tell me something. So, many wonderfful memories I had with you my buddy. I just wish I had called you sooner or I could of seen you through the years. I just said a couple of prays for you my buddy. I am still in shock. And to think I was coming home this year to start production on a children's program that is going to be syndicated out of Detroit. I wanted so much just to see you and hug you. God Keep You, God Bless You and God Watch Over You For Me Now and Forevermore. You were one very special Guy buddy. And so successful in so many ways that we the 3 B's and the Boys, anyone reading this will know who I am talking about, were not. My prays are with your family. I hurtin right now, I have lost one very special friend that can never be replaced. Only the memories and the laughs will and help me and will forever in my mind, heart and soul. Good by Benny God Bless you always. Your Buddy Billy Johnston, "Pooch".*

“ Hello Mrs. Shoemaker. I was a co-worker of Benny's. If he ever mentioned a guy at work called 'Big Red', that is me. I just wanted to express my condolences to you and your children, and to let you know that you are in my prayers. I hope GOD will bring comfort and peace to you.

I will miss Benny very much as will everyone at work who knew him. He brought a lot of laughter to our lives and never failed to have a smile and call everyone 'amigo'. He touched my life in a positive way and I will never forget him.

Sincerely, J. Stone
