“ *Bernadette always had a smile and music in her heart. We worked at the Health Dept. Together and I am glad she retired and hopefully had time to enjoy her family. My thoughts and prayers are with all of you in the loss of your Wife, your Mother, your Friend, your Grandmother. Now you have a beautiful songstress and musician in Heaven, playing for the Lord and you have your own Special Angel to watch over you and comfort you. Blessings and peace to your Family.*

“ *My condolences to the family of Bernadette and her husband, children, and grandchildren.*

*I was a coworker at the Wayne County Health Department in Immunizations and*

*remember her as a loving person who treated everyone with Christ's love in everyone she met.*

*Our assistant notified me through email of her passing and since I live in Ca. now since 2012 I'm sending a tribute through this communication.*

*Bernadette had a lot of health problems but she journeyed through them with grace and prayer and didn't complain.*

*I know that the lord's peace and blessings are with you now and forever.*

“ Bernadette was a gifted musician and she used her gift for God's service. I will always remember the "Night of Music" that she organized at Bethel Baptist Temple in 2016, and I am thankful that she gave me the opportunity to be a part of it. She will be missed.

“ When I think of Bernadette I think of her love of music. She played the piano so beautifully...and enjoyed the music of others so much. She planned the Hymn Sing last October at Bethel and it was such a wonderful evening! We will surely miss her!
