“ *Memories of our dear "BEE" Trybuski*

B was a very, very special friend to us. She was good hearted, full of personality, very knowledgeable, and very kind. We were always interested in her descriptions of the goodness lavished upon her by her daughter-in-law! B was greatly loved by her family! She would often give thanks to the Lord for our food at the table before we ate. We loved dear B very much, and we'll cherish our memories of her forever.

“ *Dear Karen and family,*

I am very sorry for your loss. Please know of my prayers and the prayers of everyone here at Saint John Vianney Center. Even though we didn't have the pleasure to meet Bee, knowing Karen is a reflection of her Mother, tells us of the joy she brought to this world. May she rest in eternal peace.

With deepest condolences-

*Sincerely yours in Christ,
David Shellenberger
