“ *Cynthia Bejma was my Godmother. I loved her very much. I also loved her parents. I remember going there as a child and walking through the garden in the back, or just visiting with them. I thought of them as my grandparents. I truly miss all of them. I am deeply sorry to the family for your loss. They were wonderful people whom I will never forget.*

“ *Bernie & Cheryl,  
I am so sorry to hear about your father. He left a legacy here at GM that's for sure.  
Word didn't pass around here very well because if it had Larry & I would have made it up to the Funeral Home. I am truly sorry about that.  
Take care & God Bless you & your family in this time of sorrow.

“ I never read the Det.papers,and by chance I saw the notice.I knew Cindy from the 3rd grade until they moved to Livonia,would see her once in a while,last time about 25yrs ago @ Westland Mall.I lived on James St. in G.C.Her name cameup last fall,GC school crowd wondered what became of her.I was stunned when I read the notice,she was a nice girl.While I didnt know Mr&Mrs well they were allways nice to me,just a neighborhood kid.Im sorry for your loss.

*Sorry to hear of the passing of your father. I always enjoyed working for him and knowing him. I learned a lot from him and I can see him now telling St. Peter how to run heaven.*
