“ Words can not express how much I miss my brother. My heart is heavy with his parting. My comfort is knowing that he is in a better place and he will see Dale. We began being closer these last 8 years altho, because of many miles apart, we did not see much of each other but talked by phone many times. I would tell him he was my favorite brother (my only brother) and he just smiled. Robert was a guy that questioned everything! And me, just the opposite so when I had a problem he filled in the answers. He wanted me to call him Bob but I told him after 82 years of being Robert I can't change now. I miss you Robert.....Love always..... Rita
