“ Awesome man and teacher. He supported good and under achievers. He always expected more or better of all who listened. If he could reach you, he would teach you! RIP Class of "84"

“ I had Mr. Ingle for Government and Psychology. Mr. Ingle was a great teacher, his high expectations of us allowed us to see that we could accomplish much more than we thought. He had a witty sense of humor that came in handy! Prayers for comfort and peace to his family. Blessings, Maureen Frasure (Martin) Class of 84'

“ Mr. Ingle and his late wife Carrie were my friends for over 40 years. He was honest, fair and believed everyone has a voice. He was young at heart. We would be on the telephone for hours talking about historical events and current news. He was a wealth of knowledge. I would tell him he should write a book. I will dearly miss Mr. Ingle for his kind heart, candor and friendship. Rest in peace, my friend.

“ *It is really neat reading all of these memories from my Uncle Bernie's past students. As we grew up and had our family gatherings, he talked about school and it was clear how much he cared about his students. He was a committed educator. He loved his family and he will be missed dearly. Dave and Karen Ingle*

“ He cost our baseball team a great player, John Normile. He said something to John in our sophomore year that he knew he was smoking. John told him yes, but he would never catch him. There was a basketball game that night and Mr. Engle caught him smoking in the parking lot at halftime. That got him thrown out of sports. Engle was unique.

“ I also had Mr.Ingle for civics and psychology. He definitely made those classes more interesting. But my best memory of him is teaching Drivers Ed. Along with his humor he had patience. I turned out to be a pretty good driver. Thank you Mr.Ingle...you were one of my favorites.

“ So sad. A wonderful Man. My time at the schools were successful because of this Man. Hard on the outside, but an incredible caring person on the inside. He got the best from you, whether you wanted to or not. Great Teacher, Coach and Human Being. He epitomizes the saying. “ You Make a Living with What you Get, But you Make a Life with what you Give “. Allen Seder ‘71.

“ I was fortunate to have Mr. Ingle as my Civics teacher in my senior year of high school at Robichaud. He made a topic that could sometimes be a bit boring both interesting and fun with his humor and quick wit. He was a wonderful teacher. I'm so glad I was able to see him again a few years ago at our all-class picnic. Thank you for all that you gave to your students, Mr. Ingle. RIP.
