“ *My dad Edward Sr. was your dad's (Edward G.) cousin and I met your family when your mother and dad hosted a Rowden Family reunion in Garden City in the 50's. If you have time and interest, I would like to share and learn some family history. My parents died in 1993 and 1995. I wish you and your family well. Sincerely, Ed Rowden*

“ *Dear Pat and family: I am so sorry to read of your Mother's passing. Thinking of her and your family bring back many memories of our friendship. Your Mother was always so sweet and friendly to me. You have my deepest sympathy in your loss. It is sad that we have lost contact with one another over the years, but I just want you to know that I do care and will think of you in my prayers. I lost my Mother 4 years ago, so I know what you must be feeling. Take care and if you wish, you may email me. It would be nice to hear from you. Sincerely, Alice*

“ Bert and I were friends and neighbors. We shared the love of sewing and quilting and enjoyed sharing our ideas. I will miss her so much.

“ Sorry to hear of Bertha's passing. I lived next door to Bertha's mother and dad (the Lombe's back in 1939-1940))and her sister Shirley. Bertha bought a new car and somehow floored it as she turned on to Sanford street and her new car ended up on the Johnson's front yard hedge. I would like to talk to Shirley. Please send me her phone number so I can call her or if she would like, I am at 928-341-9472. Shirley and Evelyn Frizzell were friends years ago. Evelyn is gone now. I often think of Shirley and Jalmer Lombe and Mrs. Lombe. My prayers are with you. Love, Carl Rieth
