“ *Beth Ann Totzkay*

“ *My deepest sympathy to the family of Beth Ann Totzkay, I remember meeting at a Passover dinner. Then, having the chance to meet again at a local Bible Study group on Thursday's evening.*

*We would have the most fun at this study. We would be laughing and trying to bring meaning of the Word of G-D to others in the study group.*

*Many would gather to observe the festivals of the L-RD bring kosher food to share. However, I would find myself eating one of the best darn Challah bread with cinnamon and raisins every made. Beth would made this bread.*

*Our Father in heaven, called Beth home, so he could have the ability to have a share of this bread.*

*May Beth's family forever be remember in our hearts and mind.*

*G-D Bless*

“ I knew Beth Ann since we started school at Allen Elementary. Every day until we started driving I would walk to her house and then the 2 of us would walk to Cheryl Skicki's house and the 3 of us would continue on to Allen (where our bus stop was for the rest of our school years). We had many sleepovers, became "blood brother's (sisters)" which was a thing back in the day, and just shared many good times. I remember her crush was Shaun Cassidy (I liked David, but to each their own). Shaun's birthday was the same as mine, so on my 13th birthday I had a sleepover with Beth and our school friends and I hung a poster of Shaun for her so we could celebrate his birthday too.

When the Kiss song "Beth" came out, I believe it was her mom who bought it for her, and she would play it over and over.

We didn't hang out as much through High School, but after, she found me a house to rent next to her on Riverview. She ended up moving away before me, but we were neighbors again for a little while.

It was nice to reconnect through Facebook and see her at our Class reunion party at Hauks farm. The conversation was just like old times.

I will definitely miss you my friend and your infectious smile and laugh. I know we will meet again ❤️

“ I got to know Beth through Roots group this year. I was continually blessed by her knowledge of scripture and how she would share just the right verse for our discussion. She had such a soft heart and put her compassion into action. My prayers are with Eric and the family as they grieve her loss.

“ WHAT A LADY!!!

*Beth's kindness and generosity, but most of all, the caring for others. Beth is resting now with the one she's been proclaiming since I've known her, her savior, Yeshua. Until we see you again, Well done thou good and faithful servant.*

“ I miss her.

*She always was laughing about something someone said.  
I all the years I knew her, I never saw her with a frown.  
Always joyful.*

*She touched many people with her joy & so helpful to everyone.*

*When I first started going to the Torah group, she always had to get her "Anna hug".*

“ *Beth was one of the happiest people we've ever met. She laughed with such ease and was never without a smile. Her willingness to help wherever she was needed made Beth a blessing in so many ways at Trinity's food pantry. We will miss seeing her smile but look forward to seeing her in heaven some day. Our hearts and prayers are with your family.

*Beth was my husbands 'work wife' for 30 years and I thanked her everyday! They got each other through thick and thin; supported each other, disagreed and made up, and always LAUGHING, making our patients their #1 priority. Beth made our dental office a welcoming place, her positive attitude a constant. I am forever grateful to have had Beth in my life, and will miss her very much.*

*Beth exuded God's love, joy and peace. Her faith in God was HUGE and she trusted Him, always. What an inspiration she was to many of us! Beth LOVED God, her family and her friends and was one of the most generous and genuine persons I've ever known. We already miss her laughter, her beautiful smile and her friendship. We weep for our loss but rejoice for her eternal gain. We'll see you soon, Bethy! Continuing prayer for Beth's family, friends and colleagues. Love, John & Shari Kustra*

*This broke my heart to hear this news. I met Beth in High School and we were always close friends. Even though we go for long times without seeing each other; whenever we would meet, it was like no time had passed at all. We could Laugh for hours. She has the best laugh and personality. I extend my sympathies to her family members. I know this has to be hard, but Beth would want you to smile and really remember the good. That is the kind of person she was and it was contagious. She could brighten any mood and always make you feel better. I am sorry that I missed the service as I was unaware of her passing. I am going to miss you Beth.*
