“ *I just found out of your mothers passing. pur mother and I and Judy were best buddy's for years. betty and I went to New York together for Hudsons training and had a blast, New York City, first plane flight, we did it all there to. Judy and Betty and I worked together at Hudsons Northland, we had our girls night out and kept in touch over all the years. When my Thom died she brought me a candle to burn to always think of him. I visited her at the house whenever I was in the neighborhood. I lived on North Jean. Betty was a lovely lady and one that had her opinions and big heart. I remember visiting her when your father died aand she was so lonely but made me smile allso. My heart goes out to all of you and I want you to know she will be in my thoughts and prayers always. She loved all of you and was a proud mother always. Love to all Carol*

“ I a so saddened by your Mother's passing. We had become great friends over the last several years. I first met her shortly after your father had passed and she had been diagnosed with Breast Cancer. I did her taxes at H & R Block. At that first meeting, we not only did her taxes but we shared together, cried together and began a new friendship. She was a positive lady with a great sense of humor. She loved you, her family, and talked of you often. Thru the years, we looked forward to seeing each other and catch up. This last year when I called her, she appoligized and told me, due to finances, she had gone to the Senior Center, but that she would be back next year. Two days later, early April, she came to my work with a little gift for my daughters upcoming wedding. "Something old" she said, "not for the Bride, but for you to remember me on your daughters Wedding Day." It was a handkerchief with hand crocheted edging. I am not sure if she or her mother did the needlework. So next May 2nth, 2012, your mom will be very present with me. I know she will be greatly missed by your family. She had shared with me that she was going to sell her house and move to be near family. She had said she had bone cancer that was treatable. As always, she left me with a hug and a statement that she would see me next year, "God willing". I will miss her very much as she always made me smile. I can only hope that I can leave as great legacy as her. She is a peace and with her husband. I will keep your family in my prayer and your mom, forever in my heart. She was one of a kind, a true treasure. With much sympathy, Mary Ann Clos.
