“ Jim and I will always remember the holidays,dinner and stories that we enjoyed with Jack and Betty. Their love was so strong that he came and got her.Betty was one of a kind and so very special.She was the best cook and greatest hostess ever.I have missed her over this past year and wished I had been able to see her.May she rest in peace or at least travel and have good times with Jack again.To the family,I am truly sorry for your loss.I do share some of that and I shall grieve for a long time over this loss.
