“ *Im truly sorry to hear about your lost. Betty will definitely be missed by so many. One thing that helps me deal or cope with losing a loved one is the scripture John 5:28,29. It states, " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life....." Soon we will be able to see Betty again because God (Jehovah) promises a resurrection hope. I hope this gives some comfort. (Truth.1914@yahoo.com)*

“ My little "buddy" Betty - I've known you my entire life. You were always right next door when my mom needed you. You had some difficult times taking care of John, but you held strong. After he passed, you seized life and never looked back. You lived so much life and had so many that loved you and cared about you. I'm so happy that I got to have our special times together in the past years. Going on all of our "adventures". I will never forget those times and will always hold our time together very close to my heart. Rest assured, your love will carry on and you will never be forgotten. I love you and will treasure your smile in my heart.
