“ *Dear Candi, Our deepest sympathy on the passing of your mother. Carl wanted very much to attend the service, but Westland was much too far for him to travel safely. Alice seems to have forgotten how to eat and is losing weight rapidly. Much like everyday, Carl needed to be with Alice. Candi, I (Stacey) will always remember your mother's quick wit and outspoken nature. Only as a working adult have I come to truly appreciate the qualities your mother had. Between your mother's sense of fun and your fathers droll sense of humor, they made quite a pair! I will be very, very old before I forget those days at Otsego. I know my folks, especially dad, misses those time too. I'm sorry we cannot be with you today as your mother is laid to rest. Please know our hearts and prayers are with you. Affectionately, Stacey Griesmer*
