“ I am truly sorry for your loss. Losing a loved one in death is never easy and many look to friends and family for comfort. Something that helps me cope with the loss of a loved one is the scripture John 5:28, 29. It states, "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life..." Soon you will be able to see Betty again because our creator promises to resurrect those sleeping in death. I hope that you gain comfort from Jehovah Gods promise.
