“ *I am sorry for your families loss. I was away for a few days and saw the death notice in the paper last night. I am the son of Clara & Willard Hess and grandson of Stephanie LaHousse Martin. I recently came across a few very old photos of the Frank LaHousse family and home. If anyone is interested please let me know and I will email the scanned photos.*

We have lost track of many of her generation in the family and my wife informed me that she and Bill were at our wedding 41 years ago.

Again, our condolences.

“ *Those we love are never really lost to us--
we feel them in so many special ways--
through friends they always cared about
and dreams they left behind,
in beauty that they added to our days...
in words of wisdom we still carry with us
and memories that never will be gone...
Those we love
are never really lost to us--
for everywhere their special love lives on.*

Sorry for your loss.....
