“ *Sister Betty was and is very dear to me. Having gone to church together for 30 years so many memories I have of her. She was always tender and loving to me and I sure cherished that. Trips together to Benny Him meetings were always special. One trip to a church in Niagara Falls I'll never forget. We went on a walk down to the Falls. I was with one of my brothers and we wanted to get closer to the Falls. We started climbing over some rocks to have a better view and I turned and looked behind me. To my surprise Betty and Joyce were right behind us! We laughed like crazy. Betty looked at us like "you didn't think we could do it". That determination I witnessed many times through the years. Good times and tough times she was determined to praise and love Jesus! She was an inspiration to me. Look forward to seeing her in Heaven!*

“ *So sorry to hear about Betty, we just talked to her about two weeks before she had her stroke. We are going to miss our conversations with her. Due to Bill recovering from open heart surgery we don't think it is a good idea to come in contact with other people and are sticking close to home. Our thoughts and prayers are with you as you go through this difficult time, she was such a wonderful person and our kids always thought she looked just like Bill's mother, Aunt Bertie.*

“ Grandma Betty always watched me on Tuesdays while my Nana and Pat went to church. I haven't seen her since grandpa Bob passed away a while back and I'm glad she's finally able to be with him again. I miss you Grandma Betty ❤️

“ Betty and I took several trips together with my mom, Florence Ludwig. Indiana, Ohio, San Diego, Chicago, New York, and Arizona. All of them were for spiritual conferences. And all but one was good. The one in NY we laughed ourselves silly because we realized the group we came to visit were unscriptural in their beliefs. Some of their practices were hilarious and we actually changed our reservations and left mid-week. They were glad to see us go as we were to leave. I remember Betty falling on the bed laughing hysterically. It was so contagious!! A VERY fond memory. In San Diego the seagulls were landing on our table and Betty ordered them off in no uncertain terms. So funny! We sang together in Benny Hinns choir. Also with Bettys daughters, Debbie and Connie. Precious, holy times of worship!!
