“ We are so sorry for the passing of Bev. The first time we met her we knew we had to have this lady in our lives! She was a wonderful gal who filled any room with her zest for living. Bev brought fun and laughter into everything we did, and we have wonderful memories of her and Ray. We will remember her and keep her spirit alive in our hearts forever. She was a great lady.

*God bless Ray and all the family, and may He bring you comfort.*

“ *Penny, Eric -*

*My deepest sympathy. You both and all the other family members took such good care of your Mother in the good times and when her health failed. I also saw the pictures posted including one on your wedding day (June 24, 1977 I believe). I remember that your Mother made the wedding dress herself. Again, I am so sorry.*
