“ Aunt Beatsie was not only my Aunt, my Mom's twin, my God Mother but also my role model. She has inspired me my whole life with her can -do attitude. She was a worker in God's vineyard who will be sorely missed. Although our relationship was long distance there was really never any distance between our hearts.

“ My Mom, The strongest and bravest woman I have known. She never gave up on anything. Even when she knew that she had the cancer she decided to fight and she did it for us (her family). She could have quit and just said I am not doing it. I will always love you Mom, you were someone I could always rely on in tough times. Thank you for being the best Mom a son could ask for. Rest in peace.

“ Today our hearts are sad for our family knowing the pain you are all feeling for the loss of your mother. Remember the beautiful times together as those are so precious. Your strength together as a family will get you through this. May she rest in peace.
