“ To the family of Beverly E. Stoops, I am writing this letter to express my condolences over the loss of your dear family member. Death is such an enemy of mankind, and we all are awaiting for the time when this wonderful promise stated in the Bible at Isaiah 25:8 will be realized: "He will actually swallow up death forever." Can you imagine one day seeing your loved ones alive again! This is not an unreality, because God's purpose for mankind is for families to dwell together on this earth under paradise conditions. Notice this prophecy at Revelation 21:3,4: "He will wipe out every tear from their eyes, and death will be no more...the former things have passed away." May all your family members take comfort in these biblical promises, because they are not from man, but from our loving Creator who cannot lie. (Titus 1:2)

“ My Sincere sympathy to the Stoops family. Mrs. Stoops will truly be missed. One of the many scriptural thoughts I use to help me cope with the loss of a dear loved one is at: (Isaiah chapter 25 verse 8) "He will actually swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces. And the reproach of his people he will take away from all the earth, for Jehovah himself has spoken [it].
