“ I am a Minister of Jehovah's Witnesses my wife and I would like to give you and your family our deepest sympathy for the lost of your loved one. We would like to leave you with these words of encouragement from Gods word the Bible. At Job 14:14 it ask the question, "If a man dies, shall he live again?," The bible makes the promise: Your dead love ones will live...They will rise up. The bible also says, The righteous themselves will possess the earth and they will reside forever upon it. Isaiah 26:19;Psalms 37:29. May you find comfort in these scriptures and in the loving memories of your loved one. If you have any questions or concerns about the lost of your loved one feel free to email us at ctksdk@yahoo.com
Sincerely, Carlos & Sandy

“ I took a class from Bill Brown when I was in high school...at the old Plymouth High School...in 1962. He was an amazing teacher and always was one of my favorites. Any time I came across other teachers from the school or people in my class (1963), I asked about him. The last I heard was that he was the principal of another high school in the area. His attitude, compassion and love of learning have inspired me in my short stint in education and in other aspects of my life. R.I.P., Mr. Brown...you were something!!!

“ My thoughts and prayers are with the family. I wish I had been able to be there. He was a great person and always was there when needed. He supported me as a cheer coach and as staff. He will be missed by many. Sue, I wish I could have seen you, it has been so many years. I remember talking with you when you were in high school.

“ *Bill was the President of the Safari Motorhome Club. He was a great leader in retirement as he was in education. Bill and Mary invited Barb and me to help at one of his rallies in Shipshewana, Indiana and it was our life for the next 14 + years. Bill was always there when I had a question and gave me support and encouragement to get more involved. It is with great pride that I call Bill my friend.*
