“ *My heart goes out to the James Family. Your dear Billy will truly be missed... One Scripture that I truly like to share is Jesus' words at (John chapter 11 the whole context) Talks about how Jesus' beloved friend Lazarus died and had been in the tomb for four days in verse 39. But in verse 24 Martha, Lazarus sister told Jesus' "I know he will rise in the resurrection on the last day and then Jesus said in verse 25 Jesus said to her: "I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life. Also, in the same chapter it shows how death is likened to sleep as Jesus said in verse 11. So please read this chapter and meditate on it, because God has promised to bring back our loved ones all those in his memory at his appointed time and on a restored paradise earth to come. see (Psalms 37:10,11,29); John 5:28,-30 To know more about the Resurrection hope, Please visit our official website www.jw.org*
