“ *Binu is my first cousin ie my aunt's son.He was born at Ottayil tharavadu, Kumaranalloor Kottayam.We used to call him 'Binu mon'.Binu had been very loving and cared by our grand parents and cousins and was very much attached to our home.He was fond of playing cards and we all cousins, uncles and aunts enjoyed his company.While working as Assistant professor at M G University we enjoyed his frequent visits at our house.He was also a special nephew to my father late Sri O C Baby.He was very loving and friendly to me,my brothers, aunts and uncles and also locals.Though he wasn't talkative,we always enjoyed his presence at our gatherings.Eventhough his health condition wasn't good at the time of his last visit to Kollam he welcomed me and his aliyan with his usual smiles and made us happy with his loving and humble talks.We can't forget his smiling face. His memories will always be alive.*

Sharing our heart felt condolences with Shaija,kids and Gracykochamma.

Praying for his soul.

May Almighty God provide him eternal peace 🌹🌹🌹🙏

“ He is my dearest Uncle .
Unfortunately I haven't had much quality time spend with him or memories created but he along with Shaija aunty and my cousins had visited us when we were in Dubai and even though I can't recall much since I was young I know that those are few days I'll cherish forever in my mind.
Binu uncle is a very kind and cheerful person who emitted rays of hope to everyone around him even at his time of suffering.
Despite everything that he was going through he always made sure to look out for his dear ones.
Whenever he facetimed us he would casually talk to us kids and ask us about our studies and everything with indeed a big smile on his face!
Sharing my deepest condolences with everyone in grief and mourning.
May his soul rest in peace.

“ We'd like to share a few of our unforgettable memories with Binu. I am John Sebastian also known as Sunny. My wife Jerin and I went to physical therapy college with Binu and we got to know and made memories with him there. In general Binu had a quiet nature, however although he was quiet we thought he was very funny. In our friend group he would sit quietly until suddenly Binu would make a comment so funny that the whole group would start laughing. In addition to being funny Binu was very smart. He enjoyed teaching his classmates during the spare time we had. His intelligence was further illustrated by his remarkable chess skills so much so that up until our last visit with him he was still talking about chess. Binu was not only funny and intelligent, he was loving, caring, and helping and his impact on us will last in our memories forever.

“ We've known Binu since June of 1985 when he joined our class in 9th standard at M.D. Seminary High School, Kottayam.

Initially, he presented himself as a quiet, shy individual. But little did we know that he was a versatile person with many capabilities!

He soon started playing cricket with our classmates and became the captain of our school cricket team!!! He was our star fast bowler!!!

Since he moved back to Kollam upon completion of 10th standard in first class, we lost contact with him for quite some time.

But I personally had the opportunity to meet Binu a few times again in North America in the years 2000, 2001 and 2011 at which time we had meals together, renewing our connection.

The news of him being terminally ill came as a shock to all of his M.D. School classmates. But we take comfort in knowing that Binu had faithfully and meticulously fulfilled all of his earthly responsibilities before passing on.

On behalf of his M.D. Seminary High School classmates, I convey our deepest condolences to Binu's dear ones.

As he will be dearly missed, we pray that God may duly fill the gap that Binu left in everyone's lives. 🙏

May the Almighty God comfort and strengthen all dear ones in this difficult time. 🙏

On behalf of all of Binu's classmates at M.D. Seminary High School, Kottayam,

Aby Abraham
