*Bob was my friend and coworker for 25 years. I could always count on him for some good advice and a hug when needed. He was such an amazing man and he will be dearly missed. Love you Bob. RIP

“ *Even though I am a senior citizen i was always proud to call Bob Uncle. He was always quick to smile and lived a good life. He treated me like a son when my father was not in my life. Never a cross word was spoken between us. We had a great conversation a few months before he left us. Rest easy Uncle.*
