You were a pleasant, kind and caring man. Although we did not get to see you as much as we would have liked to the times we were able to spend with you were wonderful. I enjoyed our conversations on the phone as well. You were good to so many people. You will be missed.

“ Dale, Peggy, Burlin and Ann, I was so saddened to hear of the passing of your beloved Bob and my deepest sympathy is extended to you all. Bob was such a kind, gentle and compassionate individual. I regret he had to endure such suffering from the effects of that dreaded word "cancer". He always seemed to have such a positive attitude, in spite of his adversities. May you all find comfort from the memories of the wonderful times shared with Bob and be surrounded by the love of family and friends during the difficult days ahead.
