“ *Bonnie was not only my Sister in Law but she was like a Sister to me. Many times I shared meals with Mike and Bonnie. I remember I always wanted to do the dishes and she said "no". Mostly I washed them anyway...getting to spend even more time with these two people whom I love. Yes, I agree with Marty who wrote earlier, when you told Bonnie you loved her, she always said "Love you more!" What a gift she has been to our family. I miss her very much but am happy she is with the Lord celebrating her new life.*

Bonnie was my neighbor until I moved in 2017 and we became friends and she was like a grandmother to my grandson Santino. After I moved Santino and I came back to visit every so often and she would say thanks you made my day . We will miss her very much. ❤️ rest in peace my friend.

“ *The Sisters of St. Joseph send you our prayers for your dear Bonnie. May she now experience the joys of Christ's resurrection with all her dear ones who have gone before her and may you, Michael, and all her family be comforted by our gentle God.*

“ *Marty Jr, my Aunt Bonnie would say and I will never forget the way she said it. I am so blessed to have known her as my aunt. I got to share a wonderful experience with her when I visited earlier this August. Outside her window was an event that I will cherish forever. I got to witness, for the very first time, a horizon rainbow. Or is where the rainbow ends? Maybe it's where it begins. I wonder if I will ever see this again? No matter as the moment shared was magical and I was with my Aunt Bonnie. I will always think of her everytime I see a rainbow.*

I love you Aunt Bonnie and I will always know that you will say, "I love you more!"
